[redacted] reported that CORONA 1017-2 is okay. He noted that Wheelon's trip to [redacted] was highly successful. [redacted] noted that the USIB Agenda for next week is extremely heavy, including three SIGINT Committee papers, various COMOR items, and two NIE's. One of the SIGINT Committee papers, it was agreed, would be put out for vote slip action. The USIB Agenda week after next will include the complicated SIGINT satellite problem, and there will be a need to brief DDCI and DCI in advance.

General Carter reminded that the situation in Cyprus may escalate and asked to be informed of the current status of contingency planning. [redacted] said he had been in touch with General Blake who is looking into the matter.

25X1

General Carter said that he was directing a new procedure which would provide advice to him on the question of disseminating SNIE's and NIE's abroad.

General Carter, noting various current developments which could portend a closer Sino-Soviet military relationship, asked for a DDI study of current developments in this field.

General Carter discussed the meeting of the 303 Committee yesterday.

DDP noted that the Syrians had nationalized Western oil companies as a further step in the current "hate America" campaign.
